

neighborsinc.

Some of the most popular items in the food shelf are everyday essentials such as laundry soap, dishwasher soap, dryer sheets, diapers and feminine products. We are always in need of these items, and assembling packages is a quick and easy way to support Neighbors and to make a difference in your community. Each of the following **items can be bought in bulk at discount stores** and 5 volunteers can pack 50 -100 packages in under 20 minutes.

- Deliveries of completed packages can be made to Neighbors, Inc. at 222 Grand Ave. W, South St. Paul (*Drop off hours: 8:15am-4:30pm Mon-Fri*)
- If you would like to join us for a tour of Neighbors when you drop off packages, please call 651-306-2145 or email volunteer@neighborsmn.org to make prior arrangements
- Please include a sheet with the names and hours of you and your volunteers for our records
- You can use the mailing labels found at the end of this document (Avery Template 5160) or create your own – Just to be sure to include the information provided on the labels below and that each package has a label.
- The supplies needed for each project are listed below (*Note: There are no specific brands that we prefer. Anything is welcome*)

LAUNDRY SOAP

Dry Laundry Detergent

Snack size re-closable bags

Mailing address labels

32.5 pounds of detergent can create 100 packages
(each consisting of 1 large scoop or 2 small scoops of detergent).
