

Looking for a meaningful way to give back this holiday season?

Neighbors, Inc. is looking for help with its **Holiday Gift Program**.

The Holiday Gift Program at Neighbors makes wishes come true for children and seniors in need in our community. Each year generous donors and hard-working volunteers come together to make the season brighter for our neighbors that need it most.

Ways to Help:

Sponsor a Family

Provide toys and gifts for a child or senior in need.

Sign-up to become a sponsor and, once matched with a specific recipient, our staff will provide you with their wish list. You do the shopping and bring in the gifts a few weeks later. More information, including sign-up form, can be found at: www.neighborsmn.org/donate/holiday-donations/.

This is a great project for individuals, businesses, churches, and clubs! Questions? Contact holiday@neighborsmn.org or 651-306-2158.

Volunteer

Individuals and small groups are needed to help run the Holiday Gift Program.

We are in need of volunteers to help receive and distribute toys and gifts onsite for our Holiday Gift Program and to be Delivery Drivers. Most shifts take place Monday – Friday between 9:00 a.m. – 4:30 p.m. All new volunteers should complete a Volunteer Application located on our website and complete the trainings associated with joining the volunteer team. For more details, contact volunteer@neighborsmn.org.

Donate

Support the work of Neighbors, Inc. in the community.

Food and monetary donations help to support our programs and services.

Food: Non-perishable food donations can be dropped off at our lower level food shelf receiving door Monday through Friday from 9am – 4pm. If you are organizing a larger group food drive, contact Cody at 651-306-2149 or cody@neighborsmn.org.

Money: Monetary donations allow Neighbors the flexibility to invest in the greatest need at the current time. Donations can be made securely online at www.neighborsmn.org/donate.

Providing opportunities for our neighbors to thrive by connecting volunteers to people in need.
