

Minnesota FoodShare March Campaign Competition

Annual Food & Fund Drive to Benefitting Neighbors, Inc.

South St. Paul, MN – Neighbors, Inc. is one of hundreds of food shelves from across the state that will engage in a friendly competition during March to see who can raise the most pounds of food and/or monetary donations. Donations made during the March Campaign are important to both help Neighbors secure additional grant funding from Minnesota FoodShare and to help provide nutritious food for our neighbors in need.

With generous support from local businesses, faith communities, civic organizations, community members, and more, Neighbors' goal is to raise a combined total of 350,000 pounds of food/dollars during this year's campaign.

March Campaign: February 26 – April 6, 2024
